Project Reyfoun Shelter -Renovation works

Note: Of which 9.921 Euros is a first payment for renovation, safety and security works which include:
"Setting up boundary fence around the shelter (BETA FENCE), protection barrier in garden edged terraces, demolition of lean exterior parapets and fence rehabilitation works, maintenance and addition of the required parts and reinstallation of existing wrought iron fence, installation of a secure steel gate behind aluminum windows of the residents building, demolition and reconstruction of the exterior inclined wall. In addition to the above, outside cameras with a wide-angle lens were installed to maximize coverage and to be able to keep a watchful eye on the residents and shelter security and safety"
